Dr. Josha L. Talison, Superintendent

March 16, 2020

Dear Ecorse Parents:

During this unprecedented time, the district wants to provide all stakeholders with resources so we can help your students keep up with their learning while they are out of school until April 6, 2020 (if not longer). Our website will be updated today with free online resources you can use with your students. Many of the resources listed there will work on any device that has online access such as a cell phone.

Students in Kindergarten through 8th grade can use their I-Ready logins to engage in online learning activities. If students do not know their log in information, please email the individual building principal for this information. High school age students can log into Khan Academy and do practice exercises as well. Also, within the next two days, teachers will be able to email work to students via their student email addresses which are associated with Student Connect. Students will need to use their Student Connect login information as their password for their email accounts. If there is no access to the internet in your home, there are still things you can do. First encourage your student to read at least twenty minutes daily. This is one of the best things you can do as a parent year-round. Secondly, encourage creative play: drawing, projects, Legos, etc to keep the brain active. Finally, for math there are many things you can do the help keep your students skills sharp such as: double a recipe or cut a recipe in half, or practice solving math problems.

In addition, the district is also coordinating breakfast and lunch pick-ups for families beginning **Tuesday, March 17, 2020 from 10:30 am to 12:30 pm**. We plan to provide this service while students are not in school. The breakfast and lunch sites are:

Ralph J. Bunche School

503 Hyacinth
Ecorse, MI 48229

Grandport Academy

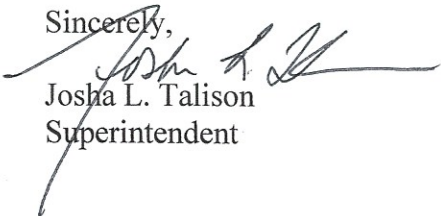

4530 – 6th St.
Ecorse, MI 48229

Ecorse High School

27385 W. Outer Drive
Ecorse, MI 48229

In closing, the Ecorse Public Schools is committed to the physical and educational needs of all of our students. I encourage you to check our website, www.ecorse.education and our Facebook regularly for updates regarding the school system.

Sincerely,

Josha L. Talison
Superintendent
